APEX UNITED
FEDERAL SOLUTIONS, LLC

Operational Excellence for Federal Missions

COMPANY OVERVIEW

Apex United Federal Solutions, LLC is an SBA-Certified Service-Disabled Veteran-Owned Small Business (SDVOSB) and Veteran-Owned Small Business (VOSB), certified 08/03/2026, headquartered in Waldorf, Maryland and established to serve federal agencies across the Washington, D.C. metropolitan area and nationwide. We operate as a prime contractor: Apex United manages the contract, compliance and customer relationship while licensed, certified specialist partners perform technical work and authorized U.S. manufacturers and distributors fulfill product orders. Every quote will include a documented compliance review covering Trade Agreements Act, Berry Amendment and mandatory-source (AbilityOne) requirements where they apply.

CORE COMPETENCIES

Life-Safety Inspection, Testing & Maintenance	Fire alarm, sprinkler, fire pump, and extinguisher ITM to NFPA 72, 25, and 10 through NICET-certified, state-licensed partners
Facilities Support & Maintenance Coordination	Facility operations support, maintenance scheduling, vendor and subcontractor oversight, quality and compliance reporting
HVAC Filtration & Building Supply	MERV 8-13 air filters, HEPA and air-purification media, DLC-listed LED lighting, EPA List N disinfectants
Safety & Medical Supply	ANSI Z87.1 eyewear, hearing protection, ANSI 107 hi-vis apparel, protective coveralls, ANSI Z308.1 first-aid kits and refills
Administrative & Program Support	Program and project coordination, documentation control, compliance and quality assurance, staffing augmentation through partners
Lodging & Travel Coordination	Conference, training, and temporary-duty lodging arrangements and overflow lodging coordination for government customers

DIFFERENTIATORS
